Ramblin

PAGE 2 **Tree Farmers** Increasing State Production

Alabama's pulpwood production is biting at Georgia's heels for the No. spot in the nation. With last year's \$10 million increase, the state now sits firmly in second place .. and is advancing. Larkin Wade, Extension forestry specialist, says the value of Alabama's

pulpwood crop, delivered o the mills, climbed from \$73 million in 1963 to an all-time high of \$83 mil-lion in 1964--a 14 per cent increase. "Pulpwood is an important crop in the other

southern states, too," adds

'The value of pulpwood

grown in the 12 southern states and delivered to pulp and paper mills in 1964 totaled \$580 million. This was 61 per cent of the nation's total production," continues the specialist. A recent government survey shows that trees are growing faster than they are being harvested for man's use or destroyed fire, insects and

The Church is the greatest factor earth for the building of character an good citizenship. It is a storehouse spiritual values. Without a strong Chu neither democracy nor civilization survive. There are four sound re why every person should attend see regularly and support the Church, Tl are: (1) For his own sake. (2) For children's sake. (3) For the sake o community and nation. (4) For the s of the Church itself, which needs moral and material support. Plan to to church regularly and read your Bi

child today! We grew up yesterday. The planes and radios which had startled our parents were commonplace to us. Television and jets we could take in stride. But Space! Who among us expected to live in a Buck Rogers era?

grasp what it means to be a

Yet to our youngsters nothing seems more natural than man's invasion of the universe. Everything that went before was preparation. We are ready to blast off. And the man who will establish our first colony on Mars is probably training for his mission in a sixth grade classroom . . .

Was there ever a time when religious, moral and spiritual development were more essential to our youth? The Truth man will cherish on Earth, and carry with him among the stars, is being taught every Sunday in our churches. Is your child . . . and the home in which he is growing up . . . FIT FOR THE AGE?
